

Detail of selected Processing line of Centre of Excellence on Millets facility

Process line: **Minor Millet processing line**

Use: **Primary processing (dehusking and polishing) of Minor Millets**

Capacity: **2000 kg/day**

Min. Qty. Required: **500kg**

Contact:

Head, Grain Science and Technology

Email ID: gst.cftri@csir.res.in

Off. Phone: 0821- 2510843

**CSIR – Central Food Technological Research Institute
Mysuru – 570020, Karnataka**

Detail of selected Processing line of Centre of Excellence on Millets facility

Process line: **Sorghum / pearl millet processing line**

Use: **Primary processing and pulverizing of Sorghum / pearl Millets**

Capacity: **2000 kg/day**

Min. Qty. Required: **500kg**

Contact:

Head, Grain Science and Technology
