

STAKEHOLDERS WORKSHOP ON GRAIN STORAGE AND PEST MANAGEMENT

Workshop Objectives

Skill upgradation on grain storage and fumigation procedures. It covers broad areas of

- A.** Scientific methods of storage & inspection of food grains
- B.** Storage pest control & fumigation
- C.** Quality management & organic methods of grain storage

Programme Structure

Module 1: Introduction and characteristics of stored grain pests

Module 2: Scope of fumigation in stored grain pest management

Module 3: Grain storage and hermetic technology

Module 4: Modern grain storage and infestation detection techniques

Note: Module 2 & 3 includes lectures and product demonstrations

Who Can Participate

This workshop would be useful for farmers, academicians, entrepreneurs, food grain exporters/importers, corporate houses for farming, organic farming units and new startups. Certificate will be provided after completion of the workshop.

Course Fee

- Rs. 2,000/- Corporate House/ Trading House /Miller etc
- Rs. 1,000/- FCI/Central and State warehousing
- Note:** The fee includes day boarding (breakfast, morning tea, lunch and evening tea), training kit with technical course material etc. Also, There is no course fee for farmers, research scholars and students.

Contact Persons

- Dr. C. S. Vivek Babu, Principal Scientist, CSIR-CFTRI, Ph: 9448581704
- Dr. Ezil Vandan S, Scientist, CSIR-CFTRI, Ph: 9591714567
- Mr. Rajneesh Kumar, Technical Advisor (NPD, Fumigants), UPL Ltd., Ph: 8860792295

Registration

Interested candidates may pay the fee (SBI Collect, CSIR-CFTRI) and register through the following link:

<https://forms.gle/B7pTvMqaArJjbkev5>

Payment details along with the filled registration form and valid photo ID may be sent to the below Address:

Dr. Prakash M Halami, Chief Scientist & Head, Food Protectants & Infestation Control (FPIC) Department, CSIR-Central Food Technological Research Institute (CSIR-CFTRI) Mysuru - 570 020, Karnataka, INDIA

E-mail: fpic@cftri.res.in

Duration : 17th and 18th August 2022

Timings : 9.30 AM to 5.30 PM

Venue : IFTTC Auditorium, CSIR-CFTRI, Mysore

Last date : 15th August 2022

Language : English

Dr. Shridevi Annapurna Singh
Director, CSIR-CFTRI

Dr. Prakash M Halami
Chief Scientist & Head FPIC Department CSIR-CFTRI

Dr. S Rajendran
Retired Senior Scientist, FPIC Consultant, UPL Ltd Mumbai

Topic: Enhanced role of phosphine in stored grain protection

Shri Ujjwal Kumar
Business Head Fumigants & Public Health UPL Ltd Mumbai

Topic: 1. Recent trends in fumigation 2. Seed storage and protection using phosphine fumigant

Shri. Ravi Kumar Sinha
Dy. General Manager (QC), FCI, New Delhi

Topic: TBA

Dr. Sidharth Rath
Dy. General Manager (Tech.), CWC, New Delhi

Topic: Effective grain preservation

Dr. R.P.Alice Sujeetha
Director (PBD) NIPHM Hyderabad

Topic: Grain storage biosafety

Dr. M Loganathan
Director (I/C) NIFTEM Thanjavur

Topic: Significance of prophylaxis and preventive measures in grain storage

Shri Praveen Gupta
Country Manager GrainPro Ltd Noida

Topic: Hermetic storage: Principles, benefits and applications

Shri Rahul Singh
Uniphos Envirotropic Pvt. Ltd. Mumbai

Topic: The need to monitor fumigations from safety and correct application perspectives'

Dr. Sumitra Arora
Principal Scientist ICAR-NCIPM New Delhi

Topic: Phosphine as an alternative for QPS treatments

Shri Rajneesh Kumar
Technical Advisor (NPD, Fumigants) UPL Ltd Mumbai

Topic: Regulations pertinent to grain treatments and export

Dr. C S Vivek Babu
Principal Scientist FPIC Department CSIR CFTRI

Topic: Trends in mitigating mycotoxins in food grains

Dr. S. Ezil Vandan
Scientist, CSIR-CFTRI, Mysore

Topic: Prospects of phytochemicals for stored grain and seed protection

Dr. Keshava Murthy
Scientist, CSIR-CFTRI, Mysore

Topic: Grain storage bags and safety aspects of packing materials
